1 1 Determining Qualifications of Applicant; General Voter Registration. RSA 654:12 is repealed
2 and reenacted to read as follows:

3 654:12 Determining Qualifications of Applicant.

4 I. When determining the qualifications of an applicant desiring to register to vote, whether
5 the applicant seeks to register before election day or on election day, the supervisors of the checklist,
6 or the town or city clerk, shall require the applicant to present proof of citizenship, age, domicile, and
7 identity as provided in the following categories:

8 (a) CITIZENSHIP. The supervisors of the checklist, or the town or city clerk, shall
9 accept from the applicant any one of the following as proof of citizenship: the applicant's birth

11 reasonable documentation which indicates the applicant is a United States citizen.

12 (b) AGE. Any reasonable documentation indicating the applicant will be 18 years of age
13 or older at the next election.

14 (c) DOMICILE.

15 (1) A person who possesses one of the following qualified documents identifying the
16 applicant's name and the address claimed as domicile must present that document when applying
17 for registration: (i) New Hampshire driver's license or identification card issued under RSA 260:21,
18 RSA 260:21-a, or RSA 260:21-b; (ii) New Hampshire resident vehicle registration; (iii) a picture

22 the qualified documents listed in subparagraph (c)(1) may present any reasonable documentation of
23 having established a physical presence at the place claimed as domicile, having an intent to make
24 that place their domicile, and having taken a verifiable act to carry out that intent. The
25 documentation must establish that it is more likely than not that the applicant has a domicile and
26 intends to maintain that domicile, as defined in this chapter, at least until election day, in the town
27 or ward in which they desire to vote. Reasonable documentation may include, but is not limited to,
28 evidence of:

29 (A) Having established domiciliary at the location of an institution of learning
30 the applicant attends, as set forth in RSA 654:1, I-a;

17 desires to vote. An applicant whose domicile is at an abode of another and whose name is not listed
18 on the document offered as proof of domicile may provide a written statement from a person who is

20 address, signed by that person under penalty of voting fraud if false information is provided.

31 identity by the administrator of the facility or by his or her designee. For the purposes of this

2 vote in a different town or ward in New Hampshire shall complete the voter registration form
3 provided for in RSA 654:7. If the election official receiving the application confirms through the
4 centralized voter registration database required by RSA 654:45 that the applicant is currently
5 registered to vote in New Hampshire, the applicant shall prove identity and domicile, but shall not
6 be required to prove his or her age or citizenship.

7 IV. A person who has registered to vote in the town or ward in which the person seeks to
8 vote prior to election day need not provide proof of citizenship, age, or domicile at the polling place on

The Office of Legislative Budget Assistant is awaiting information from the Department of State. The Department of State was originally contacted on 11/15/23, again on 12/4/23 and 12/27/23 and most recently contacted on 3/18/24 for a fiscal note worksheet. If information is received, a revised fiscal note will be forward to the Clerk’s Office

METHODOLOGY:

This bill eliminates all exemptions for demonstrating voter identification, abolishes the current regulations accepting voter affidavits as identification proof, and repeals the protocols for affidavit ballots.

The New Hampshire Municipal Association states in the initial year, there will likely be added expenses for training election officials on new election worksheets, including mileage, salaries,

and other associated reimbursements. The exact costs will depend on the chosen options (online or in-person) and individual municipal reimbursement policies.

Cutting certain voter registration choices means officials won't need to train or assist with alternative identification or affidavits, decreasing time spent with voters. This reduction in interaction is expected to lower overall salary and overtime costs for election officials resulting in a decrease to local expenditures starting in FY 2026.

It is assumed the fiscal impact of this bill will not occur until FY 2025.
