North Carolina Democratic Party,

Plaintiff,

v.

North Carolina State Board of Elections; Karen Brinson Bell, *in her official capacity as Executive Director of the North Carolina State Board of Elections*; Alan Hirsch, *in his official capacity as Chair of the North Carolina State Board of Elections*; Jeff Carmon, *in his official capacity as Secretary of the North Carolina State Board of Elections*; and Stacy Eggers IV, Kevin N. Lewis, and Siobhan O’Duffy Millen, *in their official capacities as members of the North Carolina State Board of Elections*,

Defendants.

Case No. 5:24-cv-699

**COMPLAINT**

**INTRODUCTION**

1. As the Supreme Court has explained, the right to vote ““is a fundamental matter in a free and democratic society,”” and a right that is ““preservative of other basic civil and political rights.”” *Harper v. Virginia State Board of Elections*, 383 U.S. 663, 667 (1966) (quoting *Reynolds v. Sims*, 377 U.S. 533, 561-562 (1964)). Indeed, the Court has said, “[n]o right is more precious in a free country than that of having a voice in the election of those who make the laws under which, as good citizens, we must live.” *Wesberry v. Sanders*, 376 U.S. 1, 17 (1964). Accordingly, “[i]t has been repeatedly recognized that all qualified voters have a constitutionally protected right to vote *and to have their votes counted.*” *Reynolds*, 377 U.S. at 554 (citation omitted) (emphasis added).

2. From September 20 to November 5, millions of eligible voters exercised that fundamental right to vote in North Carolina’s 2024 general election. Some contests, including for associate justice of the North Carolina Supreme Court and certain state legislative seats, were extremely close. For example, with all counties having canvassed their results, Allison Riggs, the Democratic nominee for associate justice (and the incumbent), received several hundred more votes than Jefferson Griffin, the Republican nominee.

3. Griffin has filed 307 election protests in counties across North Carolina, claiming that 60,000 voters’ ballots should not be counted. The Republican candidates for three legislative seats—Ashlee Adams, Frank Sossamon, and Stacie McGinn—have also filed protests.<sup>1</sup>

4. On November 20, the North Carolina State Board of Elections (“NCSBE”) issued an order (attached as Exhibit A) taking jurisdiction over three categories of protests (collectively, the “Protests”). Specifically, the NCSBE has taken jurisdiction over protests filed by Griffin, Sossamon, Adams, and McGinn alleging that ballots were unlawfully counted for one of the following reasons described by the NCSBE:

- a. Ballots were cast by overseas citizens who have not resided in North Carolina but whose parents or legal guardians were eligible North Carolina voters before leaving the United States;
- b. Ballots were cast by military or overseas citizens under Article 21A of Chapter 163, when those ballots were not accompanied by a photocopy of a qualifying photo ID or ID Exception Form; and
- c. Ballots were cast by registered voters whose voter-registration database records contain neither a driver’s license number nor the last-four digits of a social security number.

<sup>1</sup> These protests are public records available on the North Carolina State Board of Elections website at <https://dl.ncsbe.gov/?prefix=Legal/Nov%202024%20Protests>. All URLs cited herein without a publication date were visited on December 6, 2024.

Exhibit A ¶1. The NCSBE has ordered briefing on the Protests, to be completed today, December 6. *Id.* ¶6.

5. While protests have historically been used to challenge individual voter eligibility based on *individualized* evidence (e.g., evidence that a voter has been convicted of a felony, or moved to another jurisdiction and registered to vote there), each of the three categories presents a *systematic* challenge. Two of the three, moreover, rest on legal theories advanced unsuccessfully before the election by the North Carolina Republican Party (“NCRP”) and the Republican National Committee (“RNC”).

6. Because they involve systematic challenges, the Protests—though framed in state-law terms—implicate multiple provisions of federal law in ways that the traditional use of the protest process does not. As systematic challenges to voter eligibility raised after the election, for example, the first and third categories of protest contravene the National Voter Registration Act (“NVRA”), which prohibits what is in essence retroactive post-election voter-roll maintenance. Constitutional due process also prohibits the relief the protesters seek, both because the protesting candidates failed to provide affected voters adequate notice (as required to ensure they have an opportunity to be heard) and because changing the rules for eligibility or voting after an election imposes an undue burden on the right to vote, even if the state provides notice and a chance to be heard after the election is over. The first two categories of Protests also involve ballots cast by military and overseas citizens pursuant to the protections provided by the Uniformed and Overseas Citizens Absentee Voting Act (“UOCAVA”), as implemented by the North Carolina Uniform Military and Overseas Voting Act (“UMOVA”). The third category, meanwhile, is grounded in a state statutory provision that incorporates the federal Help America Vote Act (“HAVA”)—which prohibits (and certainly does not authorize) refusing to

count a ballot on the ground that the voter's registration records do not contain a driver's license number or the last four digits of a social security number.

7. Put simply, the Protests demand that the NCSBE violate federal laws safeguarding North Carolinians' fundamental right to have their votes counted. In light of that demand, and given the prospect of further state proceedings by parties aggrieved by the NCSBE's disposition of the Protests, this Court should issue a declaratory judgment regarding the application of federal law to the Protests. In particular, the NCDP requests a declaratory judgment that federal law prohibits throwing out votes in an election on the basis of the mass, systemic challenges lodged by the Protests.

#### **JURISDICTION AND VENUE**

8. This Court has subject-matter jurisdiction under 28 U.S.C. §1331, as this action arises under federal statutes—the NVRA and HAVA—and the U.S. Constitution. This Court also has subject-matter jurisdiction under 28 U.S.C. §1343(a) and 42 U.S.C. §1983, as plaintiff seeks equitable and declaratory relief to protect the right to vote.

9. This Court has personal jurisdiction over the North Carolina State Board of Elections, which is a state agency of (and located in) North Carolina.

10. This Court has personal jurisdiction over NCSBE Executive Director Karen Brinson Bell, NCSBE Chair Alan Hirsch, Secretary Jeff Carmon, and NCSBE members Stacy Eggers IV, Kevin N. Lewis, Siobhan O'Duffy Millen, as they are each sued in their official capacities as appointed officials in North Carolina. Each also works and resides in North Carolina. *See infra* ¶¶17-22.

11. Venue in this Court is proper under 28 U.S.C. §1391(b). The NCSBE and its members reside in this district, and the NCSBE has assumed jurisdiction over the Protests giving

rise to the complaint. Furthermore, a substantial portion of the federal-law violations outlined in this complaint have occurred or will occur in this district, because many of the voters whose ballots are challenged by the Protests reside within this district, cast their ballots within this district, and had their ballots duly counted by their respective county boards of elections within this district.

12. This Court has the authority to grant declaratory (and injunctive) relief under 28 U.S.C. §§2201-2202. The Court also has authority to enter a declaratory judgment and provide injunctive relief under Federal Rules of Civil Procedure 57 and 65.

## **PARTIES**

### **A. Plaintiff**

13. The North Carolina Democratic Party (“NCDP”) is a state committee, as that term is defined by 52 U.S.C. §30101. The NCDP’s purpose is to elect Democratic candidates to public office throughout North Carolina, including the Democratic nominees for associate justice of the North Carolina Supreme Court and the state legislative seats at issue here. To accomplish that purpose, the NCDP supports Democratic candidates in national, state, and local elections through fundraising and organizing efforts; protects the legal rights of voters; and ensures that all voters can cast ballots and have their votes counted in North Carolina. The NCDP has members and other constituents throughout North Carolina, including many voters who regularly support and vote for candidates affiliated with the Democratic Party (and did so in this election), such as Justice Riggs and the Democratic candidates for the relevant legislative seats: Representative Terrence Everitt, Bryan Cohn, and Woodson Bradley.

14. There are over 2.4 million registered members of the Democratic Party in North Carolina. *See Voter Registration Statistics*, NCSBE.<sup>2</sup> Members of the NCDP, and other individuals who voted for Justice Riggs and/or one of the Democratic nominees for the relevant legislative seats, will have their votes thrown out if the Protests are sustained. As a representative of those voters, the NCDP can obtain relief on their behalf without their individual participation. The NCDP thus brings the claims below on behalf of its members as well as other individuals who voted for Justice Riggs and/or its legislative nominees and will be harmed by the Protests.

15. The Protests also directly harm the NCDP as an organization, and hence it also has standing to sue on its own behalf. The NCDP has expended significant funds and resources on voter outreach and mobilization efforts in the 2024 general election. Forcing the NCDP to protect its members by defending against these Protests will divert the NCDP's funds from its core voter-counseling business by requiring significant additional expenditures on voter outreach and mobilization in the future to ensure disenfranchised voters are able to both cast their ballots and have their votes counted in future elections. Any erroneous denial of Democratic voters' right to have their ballots counted further injures the NCDP by undermining the NCDP's ability to succeed in getting Democrats elected.

## FACTUAL ALLEGATIONS

### A. The NCRP's Previous Attempts To Systematically Purge Voters From The Rolls

23. In North Carolina, “[e]very person born in the United States and every person who has been naturalized,” is “18 years of age,” and meets certain qualifications “shall be entitled to vote at any election.” N.C. Const. art. VI, §1. To the extent a private party believes that a person is not eligible to vote, the party must challenge the person’s eligibility: (1) well before the election (at least 25 days), N.C. Gen. Stat. §163-85; (2) when the challenged voter casts a ballot in person on election day, *id.* §163-87; or (3) by 5 pm on the business day after the deadline for receipt of absentee ballots, if the challenged voter cast such a ballot, *id.* §163-89. The challenger must come forward with affirmative, individualized proof that the voter is ineligible to cast a ballot at the relevant time, and the voter must be afforded notice and an opportunity to be heard when challenged. *See id.* §§163-86, 163-88, 163-89.

24. During the 2024 general election, none of the Republican candidates’ campaigns (i.e., the campaigns of Griffin, Adams, Sossamon, and McGinn) availed itself of these procedures, nor did the NCRP. Instead, the NCRP, along with the RNC, filed several lawsuits to disenfranchise specified categories of voters en masse.

25. For example, in August 2024, the NCRP and RNC asked a North Carolina superior court to purge up to 225,000 registered North Carolinians from the voter rolls or force them to cast provisional ballots that are presumptively not counted, even though these voters filled out the state’s voter-registration form, had their eligibility to vote verified by election officials, and had brought or would bring identification to the polls when they voted (as state and federal law require). The lawsuit claimed that these 225,000 voters *might* be ineligible because they (1) allegedly registered using an NCSBE registration form that supposedly did not make

clear that voters with a North Carolina driver's license or social security number must provide one of those numbers on the form, as required by the federal Help America Vote Act, 52 U.S.C. §21083(a)(5)(A), which is incorporated into state law, N.C. Gen. Stat. §§63-82.11(c), 163-82.4(a)(11), and (2) allegedly did not provide this information. Because the case hinged on the interpretation of HAVA and the NVRA, it was removed to federal court in this district. The district court dismissed the statutory claim based on its interpretation of HAVA, and the Fourth Circuit rejected the plaintiffs' attempt to remand the constitutional claim to state court. *See Republican National Committee v. North Carolina State Board of Elections*, 120 F.4th 390, 393 (4th Cir. 2024). The NCRP and RNC did not appeal the dismissal of their statutory claim; litigation over their constitutional claim continues in federal court. *See* Case No. 24-cv-547 (E.D.N.C.).

26. Two months after filing the lawsuit just discussed, the NCRP and RNC brought a case seeking to disenfranchise specified categories of overseas voters, including military servicemembers and their families, who cast ballots pursuant to (1) UOCAVA—which safeguards the rights of military and overseas voters in federal elections—and (2) UMOVA, a state law that incorporates and expands upon UOCAVA's protections for elections for state office. The NCRP and RNC claimed that U.S. citizens born overseas who have not lived in the United States but whose parents were eligible North Carolina voters before moving abroad are not eligible to vote, despite a state law granting them that right, N.C. Gen. Stat. §163-258.2(1)(e), and further claimed that all overseas voters should be required to provide identification proving residency under state law. The NCRP and RNC declined to pursue injunctive relief in state court regarding the latter claim. They did seek a preliminary injunction as to the former claim, but their request was denied, as was their request for extraordinary relief

from the North Carolina Court of Appeals. They also sought extraordinary relief from the North Carolina Supreme Court, a request which remains pending. *See Kivett v. North Carolina State Board of Elections*, Case No. 281P24 (N.C. Nov. 1, 2024).

27. In each of these cases, the courts appropriately exercised judicial restraint, refusing to alter the rules of the ongoing 2024 general election in a manner that would disenfranchise voters.

**B. Republican Candidates' Post-Election Protests**

28. Voting in the 2024 general election commenced on September 20, 2024, with the distribution of military and overseas ballots. Absentee ballots were distributed beginning on September 24, and election day was November 5.

29. One closely contested race was for associate justice of the North Carolina Supreme Court. That court comprises a chief justice and six associate justices. Each of the seven members serves an eight-year term. Governor Roy Cooper appointed Justice Riggs to fill the vacancy in seat #6 in September 2023. In March 2024, following primary elections, she was nominated by the NCDP to stand for re-election. The NCRP nominated Judge Griffin to challenge Justice Riggs.

30. Several state legislative races in North Carolina were also closely contested in the 2024 general election, including those for Senate Districts 18 and 42 and House District 32.

31. North Carolina's county boards of elections canvassed the 2024 general election results on November 15 and 18. Pursuant to that canvass, Justice Riggs won re-election by several hundred votes; the Democratic nominees for Senate District 18 (Everitt), Senate District 42 (Bradley), and House District 32 (Cohn) also won their elections, each by a margin of a few hundred votes.

32. Dissatisfied with the results of the canvass, Griffin, along with the Republican candidates for Senate District 18 (Adams), Senate District 42 (McGinn), and House District 32 (Sossamon) filed a slew of election protests. In North Carolina, “[a] protest concerning the conduct of an election may be filed with the county board of elections by any registered voter who was eligible to vote in the election or by any person who was a candidate for nomination or election in the election,” and it must concern “the manner in which votes were counted and results tabulated” or “some other irregularity.” N.C. Gen. Stat. §§163-182.9(a), (b)(2). A protest must be dismissed where there is “not substantial evidence of any violation [of the election law], irregularity, or misconduct sufficient to cast doubt on the results of the election.” *Id.* §§163-182.10(d)(2). Historically, protests have been used to challenge tabulation accuracy or individual voter eligibility, such as where voters have died, been convicted of felonies, voted twice, or where their votes were improperly excluded.<sup>4</sup>

33. Griffin has filed 307 election protests in counties across North Carolina, claiming that 60,000 voters’ ballots should not be counted, and the legislative candidates have filed several similar protests. Some of these protests raise factual, record-based challenges, such as (again) that county boards of elections unlawfully counted votes by voters who had died or been convicted of felonies. But others use the protest process to raise systematic legal challenges to the eligibility of groups of voters and validity of their votes based on the same or similar legal theories the NCRP and RNC have pushed in litigation.

34. On November 20, 2024, the NCSBE issued an order specifying how the protests would be considered. *See* Exhibit A. Under that order, the NCSBE took jurisdiction over protests filed with county boards of elections by Griffin, Sossamon, Adams, and McGinn that “allege that ballots were unlawfully counted for one of [three] reasons.” *Id.* ¶1. The NCSBE described those reasons, which mirror the legal theories advanced in the lawsuits discussed above, as:

- a. Ballots were cast by overseas citizens who have not resided in North Carolina but whose parents or legal guardians were eligible North Carolina voters before leaving the United States;
- b. Ballots were cast by military or overseas citizens under Article 21A of Chapter 163, when those ballots were not accompanied by a photocopy of a photo ID or ID Exception Form; and
- c. Ballots were cast by registered voters whose voter registration database records contain neither a driver’s license number nor the last-four digits of a social security number.

*Id.* Examples from each of the three categories—the three that are at issue here—are attached as Exhibits B, C, and D, respectively.<sup>5</sup> The county boards of elections retained jurisdiction over all other protests, including individualized challenges to voter eligibility. Exhibit A ¶4. The NCSBE has ordered briefing on the protests under its jurisdiction to be completed today, December 6, 2024. *Id.* ¶6.

35. Voters targeted by the first category have been assured for over thirteen years that (contrary to the protestors’ claim) they are eligible to vote because a state statute—which the NCRP and RNC have (unsuccessfully) challenged in court—grants them that right. *See* N.C. Gen. Stat. §163-258.2(1)(e). That statute is consistent with established state law construing voter

---

<sup>5</sup> While these examples are protests filed by Judge Griffin, the protests filed by the legislative candidates within each category are identical or nearly identical. *See supra* ¶ 3 & n.1.

residence and domicile. *See Thayer v. Thayer*, 187 N.C. 573, 574 (1924); N.C. Const. art. VI, §2(2).

36. Similarly, both NCSBE guidance and North Carolina law informed voters targeted by the second category that (contrary to the protestors' claim) they did not have to submit photo identification along with their absentee ballots. The NCSBE has stated that "neither federal nor state law requires" such voters to "provide ID when returning their ballot." Exhibit C at 1, 8. And state law provides that unless they request a regular absentee ballot, UMOVA voters are given ballots "specifically prepared or distributed for" their use. N.C. Gen. Stat. §163-258.2. Only a declaration, and no photo identification, must accompany such ballots. *Id.* §163-258.17(b). Even if photo identification were required, moreover, state law provides that "[i]f a [UMOVA] voter's mistake or omission in the completion of" a ballot "does not prevent determining whether a covered voter is eligible to vote, the mistake or omission does not invalidate" the ballot. *Id.* §163-258.17(a).

37. Likewise, voters targeted by the third category of Protests registered using state-provided registration forms—which the RNC and NCRP have argued did not "clearly indicate that" a registrant was "required to list her driver's license number or the last four digits of her social security number," *Republican National Committee*, 120 F.4th at 399—and were then allowed to vote, which means their registrations were accepted and eligibility confirmed by election officials. *See* N.C. Gen. Stat. §§163-82.1(a), 183-82.6, 183-82.7.

38. In an apparent effort to comply with state requirements that protestors provide notice of protests to affected voters, the NCRP mailed postcards to broad categories of voters. *See* Exhibit E (Offerman affidavit) ¶¶10-20. For example, the NCRP claims to have mailed postcards to every person who cast a ballot in the November 2024 general election, who

registered after January 1, 2004, and whose registration-database records do not contain a driver's license number or the last four digits of a social security number. *See* Exhibit D at 11. The postcards, however, contain minimal or misleading information. For example, they do not indicate which candidate has filed the protest or even which race is at issue. *See* Exhibit E at 5. Nor do they indicate which of the hundreds of protests concern the recipient. Rather, the postcards merely state that “your vote *may* be affected by one or more protests filed in relation to the 2024 General Election” and instruct voters to “scan [a] QR code to view the protest filings” and “check under the county in which you cast a ballot to see what protest *may* relate to you.” *Id.* (emphases added). At least some of the postcards, moreover, were addressed to the challenged voter “or current resident.” *See* Exhibit F.<sup>6</sup> And while the postcards note that “more information on when your County Board of Elections will hold a hearing on this matter” is available at a link found via the QR code, *id.*, following that link merely directs voters to a dropdown list of counties, and selecting a county leads to a link to the landing page for that county's board of elections—not to information on hearing dates. Finally, nothing on the postcard indicates that voters will have any opportunity to be heard at a hearing or otherwise. *See id.*

## CLAIMS FOR RELIEF

### **Count I: Violation of the National Voter Registration Act, 52 U.S.C. §§20507(c)(2)(A), 20507(b)(1) – Systematic Removal of Voters<sup>7</sup>**

39. Plaintiff realleges all preceding paragraphs as if fully set forth herein.

---

<sup>6</sup> Exhibit F is extracted from an image of an as-sent postcard published by the Southern Coalition for Social Justice. *See* Southern Coalition for Social Justice (@scsjofficial), Instagram (Dec. 4, 2024), [https://www.instagram.com/scsjofficial/p/DDKzasev\\_dz/?img\\_index=1](https://www.instagram.com/scsjofficial/p/DDKzasev_dz/?img_index=1).

<sup>7</sup> Because the election has already occurred, the NCDP was not required to provide notice of this NVRA violation to North Carolina's chief election official before suing. *See* 52 U.S.C. §20510(b)(3) (requiring notice only where violations are occurring or will occur “more than 30 days before the date of an election for Federal office”).

40. With exceptions not relevant here, federal law requires each state to (1) maintain a single authoritative list of voters registered in the state, and (2) conduct “list maintenance” to remove ineligible individuals from the rolls. 52 U.S.C. §21083(a). Under the NVRA, voters may be removed from the rolls at their request or because of a change in residence, a criminal conviction, mental incapacity, or death. *Id.* §20507(a)(3), (4). North Carolina law provides for removal from the voter rolls for largely the same reasons. *See* N.C. Gen. Stat. §163-82.1(c).

41. At the same time, the NVRA sharply limits states’ ability to deem voters ineligible shortly before or after any federal election. Section 8 of the NVRA provides that:

A State shall complete, not later than 90 days prior to the date of a primary or general election for Federal office, any program the purpose of which is to systematically remove the names of ineligible voters from the official lists of eligible voters

52 U.S.C. §20507(c)(2)(A). North Carolina law requires that systematic efforts to remove ineligible voters from the rolls, for the purposes of both federal and state elections, comply with the NVRA. N.C. Gen. Stat. §163-82.14(a).

42. In a prior case, another federal district court in North Carolina held that North Carolina county boards of elections violated 52 U.S.C. §20507(c)(2)(A) when they systematically removed voters from the rolls within 90 days of a federal election based on challenges stemming from mailings to those voters being returned as undeliverable. *See North Carolina State Conference of NAACP v. Bipartisan Board of Elections and Ethics Enforcement*, 2018 WL 3748172, at \*5-10 (M.D.N.C. Aug. 7, 2018). The Court enjoined North Carolina officials from continuing to do so “without individualized inquiry as to the circumstances of each voter in the 90 days preceding a federal election.” *Id.* at \*12. The Court further enjoined

officials from “holding hearings or taking any other action(s) to process challenges” designed to facilitate systematic removal. *Id.*<sup>8</sup>

43. The NVRA thus prohibits North Carolina from now discarding votes based on the systematic challenges contained in the first and third categories of Protests, which dispute voters’ status on the voter rolls. For the 2024 general election, the deadline for the NCSBE to complete systematic list maintenance was August 7, 2024. After that date, voters could not be legally deemed ineligible for systematic, rather than individualized, reasons. But the Protests do not raise individualized challenges against any of the registered voters whose votes they seek to cancel. Rather, by endeavoring to throw away the already-cast votes of large swaths of voters based on generic legal challenges, the Protests, in essence, call for retroactive post-election voter-roll maintenance. That is barred by the NVRA.

44. Although split into separate county-specific packages, the Protests amount to requests for the kind of systematic, non-individualized bulk removal of voters that the NVRA bars and which the RNC and NCRP failed to obtain through pre-election litigation. For example, Protests in the first category each follow the same template, asking the NCSBE to retroactively disenfranchise *all* voters who have never “resided in the United States,” whom they identify by attaching a short chart listing the names and residential addresses of such suspected voters in the county. *See, e.g.*, Exhibit B at 16. But a voter is “domiciled” in North Carolina—and thereby satisfies North Carolina’s residency requirement—even if he has never lived in North Carolina,

---

<sup>8</sup> In accordance with the NVRA and the Court’s order, the NCSBE promulgated Numbered Memo 2018-07, which reiterates that within 90 days of a federal election, county boards may not remove a voter from the rolls based on a voter challenge brought without an individualized inquiry as to the circumstances of each voter, meaning reliable first-hand evidence specific to the voters challenged. Generic evidence that conveys no information about each challenged voter’s specific circumstances is not sufficient.

so long as he was born to North Carolina residents and never established a new domicile.

*Thayer*, 187 N.C. at 574; *see also Mississippi Band of Choctaw Indians v. Holyfield*, 490 U.S. 30, 48 (1989).

45. Similarly, the third category of Protests targets voters who did not provide their driver's license number or last four digits of their social security number on their voter registration forms. But many of these voters—i.e., those who omitted this information while registering by mail—were required by HAVA and its state analog to present a valid photo identification or other identifying document the first time they voted. *See* 52 U.S.C. §21083(b); N.C. Gen. Stat. §163-166.12(a). The NVRA's requirement of individualized eligibility determinations ensures that each voter targeted for disenfranchisement is in fact ineligible to vote. By contrast, sweeping protests that target voters en masse, like the ones here, are forbidden after the 90-day mark.

46. Lastly, the NVRA requires that any "State program or activity" to de-register voters be "uniform, nondiscriminatory, and in compliance with" the Voting Rights Act. 52 U.S.C. §20507(b)(1). That requirement is violated when a method for purging voters is over-inclusive, "identif[ying] many properly registered citizens as potential noncitizens." *United States v. Florida*, 870 F.Supp.2d 1346, 1350 (N.D. Fla. 2012).

47. Protests in the third category, which seek to discard ballots "cast by registered voters whose voter registration database records contain neither a driver's license number nor the last-four digits of a social security number," Exhibit A ¶1(c), are undoubtedly over-inclusive. Even if it were lawful to discard ballots of voters whose NCSBE-provided registration forms were accepted despite not providing the information required by HAVA, HAVA does not require every voter to provide a driver's license number or the last four digits of their social security

number. Rather, “[i]f an applicant for voter registration ... has not been issued a current and valid driver’s license or a social security number,” then “the State shall assign the applicant a number which will serve to identify the applicant for voter registration purposes.” 52 U.S.C. §21083(a)(5)(A)(ii). And neither the Protests nor the NCRP-RNC lawsuit on this issue contains *any* allegation that the State Board failed to assign an identifying number to any—let alone all—of the applicants who did not provide such information when registering with the prior form. Indeed, the NCRP conceded in litigation that the voters targeted for removal on this basis are only “*potentially* ineligible.” See Complaint ¶94, *Republican National Committee v. North Carolina State Board of Elections*, No. 24-cv-26995-910 (N.C. Super. Ct. Aug. 23, 2024) (emphasis added).

48. Absent this Court’s adjudication, there is a substantial risk of mass disenfranchisement of thousands of NCDP members, in contravention of the NVRA. The Court should therefore enter a declaratory judgment that the NVRA prohibits throwing out votes after an election on the basis of the systemic challenges raised by the first and third categories of Protests.

**Count II: Violation of the Fourteenth Amendment to the United States Constitution –  
Procedural Due Process**

49. Plaintiff realleges all preceding paragraphs as if fully set forth herein.

50. Due process prohibits states from depriving “any person of life, liberty, or property without due process of law.” U.S. Const. amend. XIV, §1. A state thus may not deny a constitutionally protected liberty interest without adequate procedural protections.

51. To succeed on a procedural-due-process claim, a plaintiff must show: “(1) a cognizable liberty interest or property interest; (2) the deprivation of that interest by some form of state action; and (3) that the procedures employed were constitutionally inadequate.”

*Kendall v. Balcerzak*, 650 F.3d 515, 528 (4th Cir. 2011) (quotation marks omitted). On the last element, procedures are typically inadequate if they do not provide “notice and an opportunity to be heard.” *Wolf v. Fauquier County Board of Supervisors*, 555 F.3d 311, 323 (4th Cir. 2009); *see also Fuentes v. Shevin*, 407 U.S. 67, 81 (1972).

52. To assess the adequacy of procedural protections, courts examine three factors: (1) “the private interest that will be affected by the official action”; (2) “the risk of an erroneous deprivation of such interest through the procedures used, and the probable value, if any, of additional or substitute procedural safeguards”; and (3) “the Government’s interest, including the function involved and the fiscal and administrative burdens that the additional or substitute procedural requirement would entail.” *Mathews v. Eldridge*, 424 U.S. 319, 335 (1976).<sup>9</sup>

53. Procedural due process prohibits discarding votes on the basis of the Protests because the Protests fail to provide affected voters adequate notice or an opportunity to be heard before they are deprived of their fundamental right to have their votes counted.

54. All three groups of voters that the Protests target registered via an NCSBE form, which required them to swear under oath that they were eligible voters, had their eligibility verified by election officials, were registered to vote by county boards of elections, cast their ballots in accordance with the provided instructions, and had their ballots accepted and counted.

As explained, North Carolina passed a statute codifying the right to vote in the state for citizens

---

<sup>9</sup> “Multiple district courts ... have considered procedural due process challenges to election regulations under ordinary procedural due process principles,” i.e., the *Mathews* factors. *Arizona Democratic Party v. Hobbs*, 485 F.Supp.3d 1073, 1093 (D. Ariz. 2020) (collecting cases); *see also Democracy North Carolina v. North Carolina State Board of Elections*, 476 F.Supp.3d 158, 228-229 (M.D.N.C. 2020) (applying the *Mathews* factors for a procedural-due-process claim against a North Carolina law governing absentee ballots). But sustaining the Protests would be unconstitutional even if a procedural-due-process claim were assessed instead under the *Anderson-Burdick* framework.

born overseas who have not lived in the United States but whose parents were eligible North Carolina voters before moving abroad. *See* N.C. Gen. Stat. §163-258.2(1)(e). Likewise, a state statutory provision informs overseas voters that no photo identification need accompany their ballot, *id.* §163-258.17(b)—a message NCSBE has reinforced, Exhibit C at 1, 8. And North Carolina provided the registration form that voters who are targeted by the third category completed, processed their registrations, added them to the voter rolls, allowed them to vote, and accepted and counted their ballots. It does not comport with procedural due process for any of these voters to be told only now—after the election—that through no fault of their own their votes will not count after all, absent notice and opportunity to provide whatever information or ID the Protests assert was missing.

55. Affected voters have not been given adequate notice and an opportunity to provide the allegedly missing information. The postcards sent by the NCRP are insufficient. They do not inform voters which candidate has filed a protest, which of the hundreds of protests filed by various candidates affects the recipient, or even which race is at issue. Nor do the postcards disclose that the recipient has been named in a protest; they merely state that “your vote *may* be affected by one or more protests filed in relation to the 2024 General Election” and instruct voters to “scan [a] QR code to view the protest filings” and “check under the county in which you cast a ballot to see what protest *may* relate to you.” Exhibit E at 5 (emphases added). Indeed, the postcards do not even indicate that the person who reads it may be affected by any protest, because at least some were addressed to a named voter “or current resident.” *See* Exhibit F. The NCRP’s use of such an “exceptional address format” (39 C.F.R. §111.1(a)(2)(ii)) ensured that the mail would not be forwarded to the named voter or returned undeliverable if the voter

had moved. See U.S. Postal Service, *Domestic Mail Manual*, Part 602 (Addressing), §§3.1.3, 3.4.1.<sup>10</sup> As a result, the voter might never receive even this paltry “notice.”

56. Providing access to information only through a QR code—the postcards do not contain a web address—is not reasonably calculated to provide notice to many voters, particularly those without access to or familiarity with the latest technology, who are disproportionately likely to be older or of lower socioeconomic status. The postcards also do not indicate that affected voters will have any opportunity to be heard before their votes are discarded. While the postcards note that “more information on when your County Board of Elections will hold a hearing on this matter” is available at a link found via the QR code, see Exhibit E at 5, following that link directs voters to a dropdown list of counties, and selecting a county leads to a link to the landing page for that county’s board of elections rather than to information on hearing dates. In any event, the postcards do not indicate that the recipient may be able to speak at that hearing. And they certainly do not suggest that affected voters will have the opportunity to provide whatever information or identification the Protests assert was missing.

57. Application of the three *Mathews* factors confirms that procedural due process prohibits discarding votes on the basis of the Protests.

58. *First*, the private interest at stake is extremely strong. “No right is more precious in a free country than that of having a voice in the election of those who make the laws.” *Wesberry*, 376 U.S. at 17; see also *North Carolina State Conference of NAACP v. McCrory*, 831 F.3d 204, 241 (4th Cir. 2016). But the Protests threaten the right to vote, which encompasses voters’ right both to “cast their ballots” and to “have them counted.” *United States v. Classic*, 313 U.S. 299, 315 (1941).

---

<sup>10</sup> Available at <https://pe.usps.com/text/dmm300/welcome.htm>.

59. *Second*, disenfranchising voters based on the claims made in the Protests poses a serious risk of error. With the possible exception of those concerning overseas voters who have never lived in North Carolina, the Protests do not allege that any of the targeted voters are actually ineligible to vote. As explained, neither the Protests nor the prior litigation over HAVA requirements allege that any of the targeted voters were, in fact, ineligible. Likewise, the protests concerning ballots cast by military or overseas citizens that were not accompanied by a photocopy of a photo ID or ID exception form do not allege that voters who did not include a photo ID—because they were never instructed to do so—are ineligible to vote. *See* Exhibit C. Even if some of these voters were not eligible, additional procedures would reduce the risk of any inaccurate determinations, because voters who are in fact eligible would be able to demonstrate their eligibility. *See Rockville Cars, LLC v. City of Rockville*, 891 F.3d 141, 145-146 (4th Cir. 2018).

60. *Third*, there is no risk of unreasonable burden on the government, because state law already establishes a system for providing notice and an opportunity to be heard: North Carolina’s challenge process involves voters receiving *meaningful* notice and a hearing before being de-registered based on a challenge from another voter. *See* N.C. Gen. Stat. §§163-85, 163-86. There is no reason such a process could not work here.

61. In a recent case involving baseless allegations of voting by non-U.S. citizens, the chief justice of the Arizona Supreme Court rejected an attempt (similar to the Protests) to deny nearly 100,000 voters the ability to vote in state and local elections because they supposedly had not provided documentary proof of U.S. citizenship when they registered. *See Richer v. Fontes*, 2024 Ariz. LEXIS 263, at \*8 (Ariz. Sept. 20, 2024) (Timmer, C.J.). The chief justice was “unwilling” to “disenfranchise voters en masse” when doing so “is not authorized by state law

and would violate principles of due process.” *Id.* That was “particularly true” given that (1) it was a “state administrative failure” that led to voters being registered without the requisite proof of citizenship, and (2) there was “so little time remaining before the beginning of the 2024 General Election.” *Id.* at \*7. The same conclusion is warranted here.

62. Absent this Court’s adjudication, there is a substantial risk of mass disenfranchisement of thousands of NCDP members in violation of the constitutional guarantee of procedural due process. The Court should therefore enter a declaratory judgment that procedural due process prohibits discarding votes after an election on the basis of systematic challenges, including the particular challenges raised by the Protests.

**Count III: Violation of the First and Fourteenth Amendments to the United States Constitution – Undue Burden on the Fundamental Right To Vote**

63. Plaintiff realleges all preceding paragraphs as if fully set forth herein.

64. State laws that burden the right to vote violate the First and Fourteenth Amendments to the U.S. Constitution unless relevant and legitimate state interests of sufficient weight justify the burden or burdens. *See Anderson v. Celebrezze*, 460 U.S. 780, 788-790 (1983); *Burdick v. Takushi*, 504 U.S. 428, 434 (1992). The more severely a law burdens the right to vote, the more strictly it must be scrutinized. Hence, “election laws that impose a severe burden on ballot access are subject to strict scrutiny, and a court applying strict scrutiny may uphold the restrictions only if they are ‘narrowly drawn to advance a state interest of compelling importance.’” *Pisano v. Strach*, 743 F.3d 927, 933 (4th Cir. 2014) (quoting *McLaughlin v. North Carolina Board of Elections*, 65 F.3d 1215, 1220 (4th Cir. 1995)); *see also Burdick*, 504 U.S. at 434.

65. Discarding votes on the basis of the systematic challenges raised in the Protests would impose severe burdens on North Carolinians’ right to vote, with no sufficient justification.

66. Declining to count a voter's vote due to a procedural "error" that was affirmatively induced by the state—such as not including a driver's license number on a registration form or a photocopy of a photo ID with an overseas mail-in ballot—severely burdens the right to vote, even if the state provides notice and a hearing after the election is over. So does declining to count a vote of an overseas voter who, for thirteen years, was informed by state law that she could vote despite never having lived in North Carolina, no matter if some process is provided. The state cannot simply change the rules after an election and claim it is lawful because it gave voters notice and a chance to be heard. For instance, North Carolina could not now decide that it is only going to count the votes of those who voted in person (rather than by absentee ballot), even if it gave all voters notice and a hearing.

67. No sufficiently weighty state interest justifies discarding votes on the basis of the Protests. North Carolina has no interest in—and, in fact, has a strong interest against—retroactively disenfranchising voters who registered and voted in reliance on its own statutes and instructions.

68. Absent this Court's adjudication, there is a substantial risk of mass disenfranchisement of thousands of NCDP members in violation of the First and Fourteenth Amendments. The Court should therefore enter a declaratory judgment that the First and Fourteenth Amendments prohibit discarding votes after an election on the basis of systematic challenges, including the particular challenges raised by the Protests.

**Count IV: Violation of the Help America Vote Act, 52 U.S.C. §52 U.S.C. §21083(a)  
– Removal of Eligible Voters**

69. Plaintiff realleges all preceding paragraphs as if fully set forth herein.

70. HAVA commands that states maintain their voter lists “in a manner that ensures that[] ... only voters who are not registered or who are not eligible to vote are removed.” 52 U.S.C. §21083(a)(2)(B)(ii).

71. HAVA thus prohibits North Carolina from effectively conducting retroactive post-election voter-list maintenance by discarding votes based on the systematic challenge contained in the third category of Protests, which targets voters whose registration database records do not include a driver’s license or social security number. As explained, these voters completed NCSBE-provided registration forms and were deemed eligible to vote. And the Protests do not even allege that any of these voters were, in fact, ineligible. *See supra* ¶47. Defects in voter-registration *forms* do not render a voter ineligible. Recognizing as much, North Carolina law does not allow challenges on the basis of defects in registration forms, instead permitting challenges only on limited statutory grounds that go to actual eligibility or a defect in a ballot. *See* N.C. Gen. Stat. §§163-85, 163-90.3.

72. Absent this Court’s adjudication, there is a substantial risk of mass disenfranchisement of thousands of NCDP members, in contravention of HAVA. The Court should therefore enter a declaratory judgment that HAVA prohibits discarding votes after an election on the basis of the systematic challenge presented in the third category of Protests.

### **PRAYER FOR RELIEF**

WHEREFORE, the NCDP requests entry of a judgment:

- a. Declaring that federal law—specifically, the NVRA, the First and Fourteenth Amendments, and HAVA—prohibits discarding votes after an election on the basis of the challenges lodged by the Protests.
- b. Directing defendants, their agents, successors in office, and all persons acting in concert with any of the foregoing to take any necessary and appropriate action to ensure that state, county, and local authorities who administer North Carolina’s elections and post-election protests comply with this Court’s orders;

- c. Awarding plaintiffs such other and further relief as the Court deems just and proper.

STATE OF NORTH CAROLINA  
WAKE COUNTY

BEFORE THE STATE BOARD OF ELECTIONS

IN RE PROTESTS OF JEFFERSON  
GRIFFIN, ASHLEE ADAMS, FRANK  
SOSSAMON, AND STACIE MCGINN

)  
)  
)  
)  
)

**ORDER**

THIS MATTER CAME BEFORE THE STATE BOARD OF ELECTIONS in a remote meeting conducted via WebEx videoconference on November 20, 2024, upon its own motion, to consider actions by the Board to facilitate review of election protests filed by Jefferson Griffin regarding the Supreme Court Associate Justice contest, Ashlee Adams regarding the NC Senate District 18 contest, Frank Sossamon regarding the NC House District 32 contest, and Stacie McGinn regarding the NC Senate District 42 contest.

Pursuant to N.C.G.S. 163-182.12, the State Board ORDERS as follows:

1. The State Board takes jurisdiction over protests filed with the county boards of elections by Jefferson Griffin, Frank Sossamon, Ashlee Adams, and Stacie McGinn, where those protests allege that ballots were unlawfully counted for one of the following reasons:
  - a. Ballots were cast by overseas citizens who have not resided in North Carolina but whose parents or legal guardians were eligible North Carolina voters before leaving the United States;
  - b. Ballots were cast by military or overseas citizens under Article 21A of Chapter 163, when those ballots were not accompanied by a photocopy of a photo ID or ID Exception Form; and
  - c. Ballots were cast by registered voters whose voter registration database records contain neither a driver's license number nor the last-four digits of a social security number.
2. The State Board will schedule a time for preliminary consideration of the protests for which it has taken jurisdiction and will provide notice thereof to the relevant parties.
3. By taking jurisdiction over the aforementioned protests, the State Board is not ruling on the timeliness of any such protests or their facial validity otherwise.

4. The county boards of elections shall retain jurisdiction over all other protests that have been timely filed and shall proceed to consider those protests under Article 15A of Chapter 163 and Chapter 2 of Title 8 of the North Carolina Administrative Code.
  - a. At preliminary consideration, the county board shall advance the protest to a hearing to be conducted at a later date upon proper notice, if the protest was timely filed and otherwise substantially complies with G.S. 163-182.9. Because similar protests were filed in many counties, to ensure uniformity in the process for review of these protests, the county boards shall assume at preliminary consideration that the protests establish probable cause to advance to a hearing, per G.S. 163-182.10(a)(1). The county board shall not consider any evidence outside the protest documents at preliminary consideration.
  - b. When conducting a hearing, the board shall take evidence, which will likely include taking testimony from county board staff as to the contents of official county board records pertaining to the voters whose ballots have been called into question by the protests. At the conclusion of the hearing, the board shall vote on its findings of fact and conclusions of law.
  - c. Each county board conducting a hearing shall memorialize its findings of fact and conclusions of law in a written order, which shall be served on the relevant parties, with a copy provided to the State Board via [legal@ncsbe.gov](mailto:legal@ncsbe.gov).
5. To facilitate adjudication of these protests, the protesters—Jefferson Griffin, Frank Sossamon, Ashlee Adams, and Stacie McGinn—shall file, by noon on Friday, November 22, 2024, with the State Board and with the respective county boards of elections copies of the lists of voters whose ballots are called into question by each protest filing in Excel file format, with the same labeling as displayed in the PDF versions of the protest filings.
6. For the protests that are now under the State Board’s jurisdiction, the protesters shall file legal briefs, if any, in support of the protests by 5 pm on Wednesday, November 27, 2024. The responding candidates shall file legal briefs, if any, in opposition to the protests by 5 pm on Friday, December 6, 2024.

IT IS SO ORDERED.

This the 20th day of November, 2024.

5. This protest alleges (*select at least one*):

- A defect in the manner by which votes were counted or results tabulated sufficient to cast doubt on the apparent results of the election.

FACTUAL BASIS & LEGAL ARGUMENT

6. Provide all factual allegations in support of your protest. If any fact you allege is outside the scope of your personal knowledge, you may attach affidavits from those who have personal knowledge of that fact. All facts you allege in connection with this protest must be true and accurate to the best of your knowledge, and brought in the sincere belief that the facts alleged form a good faith basis to protest the conduct and results of the election.

The county board of elections has accepted, processed, and counted votes from certain overseas voters who are not residents of this county. In fact, these voters have never resided in the state of North Carolina.

The North Carolina Constitution requires that only residents of the state may vote in the state's elections. N.C. Const. art. VI § 2(1). A North Carolina statute, however, provides that an overseas person who was born outside of the United States and has never resided in North Carolina can vote in North Carolina so long as the person's parent or legal guardian was an eligible North Carolina voter before leaving the United States. N.C.G.S. § 163-258.2(1)(e). The statute, therefore, allows persons to vote in North Carolina despite not being residents when they voted or registered to vote in North Carolina, which is a violation of the North Carolina Constitution's residency requirement for all voters. Upon information and belief, the county board of elections has not taken any actions to confirm the residency of the overseas voters who cast ballots pursuant to N.C. Gen. Stat. § 163-258.2(1)(e). These registrations and ballots of such overseas voters are readily identifiable through the Federal Post Card Application ("FPCA") and Federal Write-In Absentee Ballot ("FWAB") options stating "I am a U.S. citizen living outside the country, and I have never lived in the United States." In addition, there is no legitimate basis for imposing a residency requirement on some voters but not all voters.

We have identified overseas voters in the county who were allowed to vote in the contested election pursuant to N.C. Gen. Stat. § 163-258.2(1)(e). EXHIBIT A is an affidavit that includes a list created from information provided by the State Board of Elections that identifies such voters. It appears the county board of elections has accepted, processed, and counted votes from the persons identified on the list without taking any actions to establish the voter's residency. These actions violate North Carolina law and the state Constitution.

In addition, the State Board's information on self-identified non-residents using the FPCA process is limited to those who used the online portal, and does not include those who submitted a ballot request via mail. We therefore ask that the county board of elections, in furtherance of this protest, review the county's FPCA records to determine if anyone using the FPCA process via mail self-identified as a non-resident and, if so, those individuals should not have been entitled to vote.

7. List all individuals, if any, you may call as witnesses to substantiate facts listed in Prompt 6. If there are multiple individuals, summarize the facts of which the individual has personal knowledge.

I, Ryan Bonifay, being duly sworn, depose and say as follows:

**Background and Experience**

1. I am over 18 years of age and competent to make an affidavit.
2. I have personal knowledge of the matters described herein.
3. I am a citizen of the United States and a resident of Lexington, North Carolina.
4. I am employed as Director of Data and Analytics at Coldspark, a political consulting and strategy firm. I have been so employed since January 2023. Previously, I have been employed by the Republican Party as Regional Analytics Director and State Analytics Director for North Carolina, as Data Director for Engage Texas, and as Data Director on U.S. Senate, congressional, and gubernatorial campaigns. Altogether I have approximately 10 years of experience as a data analyst for political campaigns and parties, all of them Republican. I have previously worked on North Carolina elections during the 2016 and 2020 election cycles.
5. I was retained by the North Carolina Republican Party to review and compile publicly-available information from the North Carolina State Board of Elections, either on their website or received through public records requests, in connection with the filing of election protests.

6. In my professional work I have become familiar with public sources of data on voter registration and voter turnout in North Carolina, and with the inputs to and limitations of such sources.

#### Assignment

7. I was asked to submit this affidavit in support of election protests filed with county boards of elections across North Carolina.

8. I was asked by counsel to generate a list of individuals who cast an absentee ballot from overseas and who self-reported never residing in North Carolina, based on publicly available data.

9. In aid of compiling this data, lawyers for the North Carolina Republican Party made numerous requests for information under North Carolina's Public Records law. Once the relevant public agencies produced their responses, I attempted to match the produced records to public voting records to identify voters who may have cast a ballot but were ineligible as of Election Day. The process for doing so is described in more detail below.

10. As to overseas voters who self-reported never residing in North Carolina, the North Carolina Republican Party made the following public records requests to the North Carolina State Board of Elections on November 9, 2024:

- a. A list of voters who self-identified as having never lived in the United States while submitting a Federal Post Card Application ("FPCA"). If such a list does not exist, the North Carolina Republican Party requested the opportunity to inspect and obtain copies of all FPCAs, where the individual marked they have never lived in the United States, that have been submitted since January 1, 2024.

b. A list of voters who self-identified as having never lived in the United States while submitting a Federal Write-in Absentee Ballot (“FWAB”). If such a list does not exist, the North Carolina Republican Party requested the opportunity to inspect and obtain copies of all FWABs, where the individual marked they have never lived in the United States, that have been submitted since January 1, 2024.

11. In response, on November 13, 2024 the North Carolina Republican Party received from NCSBE a file entitled “FPCA\_online\_portal\_submissions\_never\_lived\_US.csv”.

12. The NCSBE explained in their public records response that this spreadsheet consisted of “data on voters who submitted FPCA requests via our [i.e. NCSBE’s] online portal and who checked the box indicating that they never lived in the United States. The ‘overseasNoUsInd’ is the column that indicates if that checkbox was checked.” The NCSBE also explained that the spreadsheet was limited to overseas voters who submitted a ballot request through NCSBE’s online system. Overseas voters who mailed in a ballot request would have done so to a county board of elections, and are thus not included in the information I compiled.

13. FPCA refers to the federal post card application. My understanding is that the federal post card application is a form promulgated by the United States government, standardized across all states, that acts as both a voter registration application and as a request for an absentee ballot. A true and accurate copy of the FPCA form available on the NCSBE’s website is included as **ATTACHMENT 1**.

14. On the FPCA, voters may self-identify as having never lived in the United States.

15. This file “FPCA\_online\_portal\_submissions\_never\_lived\_US.csv” (the “NCSBE FPCA List”) is a list of individuals who submitted the FPCA in 2024 seeking a North Carolina ballot, and who self-identified as never having lived in the United States.

16. The file "FPCA\_online\_portal\_submissions\_never\_lived\_US.csv" contains a column "BallotSendMethod" that appears to reflect whether a ballot was sent to the individual electronically ("e") or by mail ("m").

17. I verified which of these overseas individuals actually voted by reference to the statewide voter list, filename ncvoter\_Statewide.zip, and absentee voter list, filename absentee\_20241105.zip.

18. I matched self-identified overseas never-resident voters in the NCSBE FPCA List to the list of North Carolina voters who cast a ballot in the November 2024 election in the statewide voter list based on voter registration number and NCID number.

19. This process resulted in a list of likely matches in this county, which is attached as **ATTACHMENT 2.**

20. I am unaware of any records indicating that any of these voters were challenged for being non-residents of North Carolina.

Further, the affiant sayeth not.

This 19 day of November, 2024.

PROTEST SCOPE

4. List all election contests subject to your protest and calculate the margin of votes separating the apparent winner from the runner-up as of the date of filing. <b>Protested Contest(s)</b>	<b>Current Vote Margin</b> (subtract runner-up totals from apparent winner's totals)
N.C. Supreme Court Associate Justice, Seat 6	625

5. This protest alleges (*select at least one*):

- A defect in the manner by which votes were counted or results tabulated sufficient to cast doubt on the apparent results of the election.  
 A violation of election law, irregularity, or misconduct sufficient to cast doubt on the apparent results of the election.

FACTUAL BASIS & LEGAL ARGUMENT

6. Provide all factual allegations in support of your protest. If any fact you allege is outside the scope of your personal knowledge, you may attach affidavits from those who have personal knowledge of that fact. All facts you allege in connection with this protest must be true and accurate to the best of your knowledge, and brought in the sincere belief that the facts alleged form a good faith basis to protest the conduct and results of the election.

It appears the county board of elections has counted ballots cast by overseas voters without requiring the voter's to provide a copy of their photo identification. EXHIBIT A is an email from aren Brinson Bell, Executive Director of the State Board of Elections, in which she states: "When a military or overseas citizen voter submits their ballot, neither federal nor state law requires them to provide ID when returning their ballot."

Article 20 of Chapter 163 of the General Statutes requires absentee ballots to include a photocopy of the voter's photo identification or an affidavit establishing an exception to the photo-identification requirement. N.C. Gen. Stat. § 163-230.1(f1). Absentee ballots under Chapter 163 include traditional mail-in absentee ballots under Article 20 and military-overseas ballots under Article 21A. *See, e.g.*, N.C. Gen. Stat. § 163-132.5G(a1)(4). Moreover, N.C. Gen. Stat. § 163-239 states that the provisions of Article 21A (concerning overseas-military ballots) "shall not apply to or modify" the absentee ballot provisions unless "provided therein." N.C. Gen. Stat. § 163-239.

Upon information and belief, the county has accepted, processed, and counted absentee ballots by overseas voters who did not provide a copy of photo identification (or an exception form). A board director and/or board member for the county confirmed to NCGOP legal counsel that this was the practice of the board. These actions violate North Carolina law. Before filing this protest, we submitted a public records request to the county board of elections seeking the information necessary to identify such voters. At the time of the protest, the request remains pending. Once the information is provided, we will supplement the protest.

7. List all individuals, if any, you may call as witnesses to substantiate facts listed in Prompt 6. If there are multiple individuals, summarize the facts of which the individual has personal knowledge.

Subject: Your recent letter

Ms. Rebeck, (bcc: State Board Members and county election directors)

We write to express concern about a letter that you wrote that was forwarded to us by the elections director in another county, who received it from a state legislator asking her to respond. Your letter has been forwarded to a wide audience, and unfortunately, it contains false and misleading statements, and partisan remarks.

We are forwarding your letter and our response to the five members of the State Board of Elections and to all county directors so they can respond as necessary if they receive inquiries. This has required State Board staff to spend our limited resources drafting this letter and researching and providing the facts.

We are always available to county board members with questions or concerns about election administration, and we hope that in the future you will reach out to us should you need clarification to avoid the potential spread of false or misleading information, which undermines our common goals of administering elections according to the law and promoting confidence in our elections.

Please see our responses in red to your italicized statements below. We are happy to answer any questions you have about them.

*"I am a member of the Henderson County Board of Elections and have served on the Board for over 6 years. I am frankly very discouraged about the upcoming election. I want to strongly state my belief that if you do not intervene immediately either legislatively or legally, we are going to lose NC to the Dems in November which will likely mean we lose the country. The responsibility will be yours, one way or the other."*

Given the partisan statements in the above, we remind you of the requirements of [Article 4A of Chapter 163](#) of the North Carolina General Statutes. Whether or not the statements violate these provisions, it undermines the public's confidence in the fair administration of elections if their elections officials are widely communicating their desire for a particular outcome in an election they oversee.

*"I am aware that Henderson County has recently received hundreds of new UNOCAVA (Overseas Civilian) applications." There is NO requirement to verify these people AND they do NOT have to provide ID when sending back their vote (by mail or email)."*

UOCAVA, which stands for Uniformed and Overseas Citizens Absentee Voting Act, is a federal law prescribing specific procedures for military and overseas citizens to be allowed to vote in federal elections. Our state has adopted laws under Article 21A of Chapter 163 to carry out these procedures. When military and overseas citizens register to vote under these procedures, they typically provide either their Social Security Number or driver's license on the prescribed [federal form](#). When county officials input those values into the statewide database, the statewide database

automatically attempts to validate those numbers with the DMV and Social Security Administration. For civilian voters, if a number does not validate, state law requires the voter to provide an alternative form of ID before they vote for the first time. UOCAVA voters are expressly exempt from this requirement by state statute and have been for nearly 20 years. GS 163-166.12(f)(3).

When a military or overseas citizen voter submits their ballot, neither federal nor state law requires them to provide ID when returning their ballot.

*“I believe this is a concerted effort to turn Henderson County blue. However, I believe that if you check with other counties, you will see that the numbers have grown substantially in every county. I have heard numbers as high as 300,000 statewide so far. I believe that there is a statewide effort under way to undermine the election.”*

Again, we caution you about statements favoring or opposing particular outcomes in the elections you oversee.

We spoke with the Henderson County director, and she confirmed on August 23 that Henderson had received fewer than 150 UOCAVA requests. In 2020, according to State Board data, Henderson County received 347 requests for absentee ballots from military and Henderson County voters living abroad at the time. So, the number of requests is not necessarily high in 2024 as you suggest. Ballots go out in two weeks.

It is also possible that advocacy groups and others are encouraging military and overseas voters who are U.S. citizens to request their ballots. There is nothing wrong with that and, in fact, that is activity protected by the First Amendment of the U.S. Constitution.

Until ballot styles are finalized, we do not know how many UOCAVA requests have come in statewide. However, the State Board has no evidence of a “statewide effort underway to undermine the election.” If you have actual evidence of such, please provide it to the State Board or to the law enforcement agency of your choice. Otherwise, your statements are sensationalistic and inflammatory and will undermine voter confidence with no facts to back them up.

*“Additionally, Henderson County has received numerous new voter applications that do not have HAVA required information to register (missing Driver's License and/or last 4 of SS or those numbers were not validated). The State BOE has instructed Counties to go ahead a register them without verification.”*

This is false. The State Board, both in emails and in a statewide Huddle training session, have instructed county boards as follows:

- If a new voter does not provide their driver's license number or last four digits of their Social Security number and does not check the box to indicate that they do not have either of these numbers, then the voter will not be registered and will be sent an incomplete letter seeking the missing information.
- If an applicant provides a driver's license number or last four of their Social Security number but that number does not validate, then their registration should be processed but they must be sent a “request for identification letter.” If the voter subsequently provides the ID information, their

profile is updated. If they do not, they must provide an alternative ID proving their identity (so-called “HAVA ID”) before voting, or vote provisionally. See GS 163-166.12(c). See the [Request for Identification Information letter](#).

- If a new voter checks the box to indicate they do not have either identification number, then they will be sent a “request for identification” letter and be required to show a HAVA ID before they vote.

*“There have been over 10,000 voters registered state-wide in the last 3 months with unverified or no Dr License or last 4 of SS numbers and therefore HAVE NOT BEEN VERIFIED. So even though the information provided does not match (validated) the application is automatically approved. This is just common sense-the identity of the voter should be verified before entering them on the voter rolls. This is an open invitation for missing or unvalidated applications to be approved and entered into the system.”*

See the note above about the additional verification requirement for voters whose ID numbers fail to validate.

Here’s some additional important context. When a number does not match, SEIMS will not populate that field, so if we run a query in the database to see which registrations lack these identifiers, the query shows registrations where an identifier was provided but the number did not validate. To attempt to validate DLs or last-four SSNs, the SEIMS system sends a database query to DMV databases and the Social Security Administration databases, asking those databases to attempt to match specific information in records on both sides. It is not uncommon for a person’s ID to fail validation. There are a number of benign reasons this can occur, and occur regularly, which has been well [documented](#). The DMV/SSA requires exact field matching on name, DOB, DL/SSN so there is no current way to identify possible matches. Common reasons for validation failure are: misspelling of names, variation of names (Bob vs. Robert, maiden name vs. married name, varied designation of surnames for minority ethnicities, etc.), nickname or a missing suffix missing (Jr. or Sr.), inadvertent typos like missed numbers or transposed numbers in DL or last-four SSN, typos in birthdates, and situations where a registrant listed month/day/year in the wrong order on their registration form (there could be [national origin-based reasons](#) for this). Recognizing the faults in matching between distinct databases, the General Assembly enacted the provisions in GS 163-166.12(c) which allow a registrant whose DL or SSN did not match to provide HAVA ID either before or when first voting.

*“Another concern is preventing non-citizens from voting. Putting the matter on the ballot in November is too little, too late. The legislature passed SB 747 requiring clerks of superior court to provide lists of people who have been excused from jury duty indicating that they are not US citizens. However, according to the SBOE this will not take place until after the November election.”*

This is false. The superior court clerks are (and have) provided such lists, and State Board staff is reviewing those and contacting any registered voters who are identified and for whom a state and federal database check does not show they have obtained citizenship. After nearly every county clerk submitted any records of jurors excused for non-citizenship, there were 9 registrants total identified through these checks statewide. While it is true that federal law (NVRA) prevents us from outright removing these records this close to a federal election, we are nonetheless going to

encourage any of these identified registrants to cancel their registration if they indeed lack citizenship. After the federal election, we can resume this program and conduct removals similar to how we process felon removals, rather than the notices and invitation to cancel registration which is as much as we can do and still comply with federal law.

*“You have allowed the SBOE to drag its feet (I believe on purpose) on all of these matters. This must be rectified if you want to win in November. I am not asking for anything that would be unfair to anyone, I just want the laws enforced to make it fair for everyone. Frankly, the county BOEs are nothing more than a rubber stamp and we have to sit there and vote to certify without any real ability to legally object. Again, the success or failure of this election in November is on you. I implore you to either fix this legislatively or in Court.*

*Best wishes in November, you will need it!”*

Again, we remind you of the prohibitions in the law on political activity by county board members.

We again invite you to contact us in the future to clear up your misunderstandings about election processes and the law.

Regards,

**Karen Brinson Bell, CERA, PMP**

Your response does not waive your right to contest the validity of the current vote count. If your protest concerns all contests on the ballot, you must include the vote margin for each contest.

<b>Protested Contest(s)</b>	<b>Current Vote Margin</b> (subtract runner-up totals from apparent winner's totals)
N.C. Supreme Court Associate Justice, Seat 6	625

5. This protest alleges (*select at least one*):

- A defect in the manner by which votes were counted or results tabulated sufficient to cast doubt on the apparent results of the election.
- A violation of election law, irregularity, or misconduct sufficient to cast doubt on the apparent results of the election.

FACTUAL BASIS & LEGAL ARGUMENT

6. Provide all factual allegations in support of your protest. If any fact you allege is outside the scope of your personal knowledge, you may attach affidavits from those who have personal knowledge of that fact. All facts you allege in connection with this protest must be true and accurate to the best of your knowledge, and brought in the sincere belief that the facts alleged form a good faith basis to protest the conduct and results of the election.

It appears the county board of elections has counted ballots cast by voters who are not registered in the manner provided by law and who are therefore ineligible to vote.

To be eligible to vote, a person must register in accordance with North Carolina law. N.C. Const. art. VI, § 3; N.C.G.S. § 163-82.1(a). Since January 1, 2004, North Carolina law has required that, in order to be registered to vote, a person must complete a voter registration form and provide “the applicant’s . . . “ d rivers license number or, if the applicant does not have a drivers license number, the last four digits of the applicant’s social security number.” N.C.G.S. § 183-82.4(a)(11). This information is used to validate the identity of the applicant. N.C.G.S. § 163-82.12(8), (9). If an applicant fails to provide their drivers license number or the last four digits of the applicant’s social security number, the county board must contact the voter to notify them of their omission and provide them an opportunity to complete the registration by 5:00 pm the day before the county canvass. N.C.G.S. § 163-82.4(f). If this omitted information is received by election day (and the board determines that the person is otherwise permitted to vote), then the person shall be permitted to vote; otherwise, the person shall be entitled to cast a provisional ballot that must be disregarded. N.C.G.S. § 163-82.4(f).

We have identified voters in the county who completed voter registration forms since January 1, 2004, and have cast a ballot in the contested election but have never provided their drivers license number or the last four digits of their social security number. EXHIBIT A is an affidavit that includes a list created from publicly available information that identifies such voters.

It appears the county board of elections has accepted, processed, and counted votes from the persons identified on the list. These actions violate North Carolina law and the state Constitution.

EXHIBIT B is an email from Paul Cox, General Counsel of the State Board of Elections, acknowledging that since “the State Board’s decision last December,” “new registrations going forward are required to include one of these numbers, unless the registrant affirms that they don’t have either number.” In the email, Mr. Cox also states that the State Board was “going to have our IT department run a list of new FPCA/FWAB registrants since the State Board’s order was released in December 2023, to flag any that may have been processed without one of these numbers . ” Therefore, the identities of non-compliant registrants should be readily accessible to the State Board.

**Subject:** PLEASE READ: UOCAVA Requests for new registrants

Directors (via BCC):

I'm writing to clarify the requirement for identification numbers for new registrants who register via FPCA or FWAB. I addressed this briefly in the Huddle chat last Wednesday, but we've gotten some additional questions. So we wanted to be clear about the proper procedures, since UOCAVA ballots start going out Friday.

**If a person is registering for the first time using an FPCA or FWAB, the requirement to provide driver's license/DMV number or, if they don't have it, last four of their social security number, applies to these voters—just like for all other new registrants.** This requirement in HAVA applies to all new registrants, whether they are civilian or UOCAVA registrants. See [52 USC 21083\(a\)\(5\)\(A\)\(i\)](#).

These new registrants were included in the State Board's decision last December to require new registrations going forward to include one of these numbers, unless the registrant affirms that they don't have either number. We regret if that was not clear.

We are going to have our IT department run a list of **new** FPCA/FWAB registrants since the State Board's order was released in December 2023, to flag any that may have been processed without one of these numbers, and we'll share that data with your office for review and action. The list should not be very long, since most FPCA/FWAB voters come through the portal, and the portal doesn't allow a UOCAVA voter to submit their request without including one of these numbers.

**In the meantime, please review your pending FPCAs before ballot transmission on Friday, to ensure that they included one of these numbers.** Be sure to include that number when you enter data into VoterScan. If the record doesn't result in a database match, the FPCA (registration and ballot request) must still be processed. Unlike civilian voters, North Carolina law expressly exempts UOCAVA voters from the requirement to provide HAVA ID if the number fails to match across agency databases. See [GS 163-166.12\(f\)\(3\)](#).

If any new FPCA/FWAB registrant did not include DL/DMV number or last four of their SSN as of December 14, 2023, and they do not state in writing that they lack these numbers, you will need to reach out to the registrant to obtain one of these numbers before processing their registration/ballot request. Please email the voter the attached letter requesting this information. If you do not have an email address for the voter, contact the voter by any other means you have available to obtain the information. Should the letter be returned, you will need to scan in the letter as VOTER CHANGE/UPDATE DOCUMENT in the web scanning app. If the voter does not return the request for information the FPCA request will need to be spoiled. Please include in the comments "Spoiled-ID not provided." Spoiling a ballot will need to occur before ballots go out on Friday, for any pending requests that did not include one of the required numbers.

I, Ryan Bonifay, being duly sworn, depose and say as follows:

**Background and Experience**

1. I am over 18 years of age and competent to make an affidavit.
2. I have personal knowledge of the matters described herein.
3. I am a citizen of the United States and a resident of Lexington, North Carolina.
4. I am employed as Director of Data and Analytics at Coldspark, a political consulting and strategy firm. I have been so employed since January 2023. Previously, I have been employed by the Republican National Committee as Regional Analytics Director and State Analytics Director for North Carolina, as Data Director for Engage Texas, and as Data Director on U.S. Senate, congressional, and gubernatorial campaigns. Altogether I have approximately 10 years of experience as a data analyst for political campaigns and parties, all of them Republican. I have previously worked on North Carolina elections during the 2016 and 2020 election cycles.
5. I was retained by the North Carolina Republican Party to review and compile publicly-available information from the North Carolina State Board of Elections, either on their website or received through public records requests, in connection with the filing of election protests.

6. In my professional work I have become familiar with public sources of data on voter registration and voter turnout in North Carolina, and with the inputs to and limitations of such sources.

**Assignment**

7. I was asked to submit this affidavit in support of election protests filed with county boards of elections across North Carolina.

8. I was asked by counsel to generate a list of individuals who satisfied the following criteria: they (1) registered to vote after Jan. 1, 2004, (2) never provided the last four digits of their Social Security Number nor a North Carolina drivers license number to their local board of elections in conjunction with their voter registration, and (3) cast a ballot in the November 2024 general election, all based on publicly available data.

9. In aid of compiling this data, lawyers for the North Carolina Republican Party made numerous requests for information under North Carolina's Public Records law. Once the relevant public agencies produced their responses, I attempted to match the produced records to public voting records to identify voters who may have cast a ballot but were ineligible as of Election Day. The process for doing so is described in more detail below.

10. As to voters who registered and voted without providing a driver's license number or the last 4 digits of their Social Security Number, the North Carolina Republican Party made the following public records request to the North Carolina State Board of Elections on November 12, 2024:

- a. A list of all currently registered voters in Active, Inactive, or Temporary Status that do not contain data in one or more of the following data fields: (1) Driver's License Number; or (2) Last Four Digits of Social Security Number.

11. In response, NCSBE produced a file entitled No\_SSN\_or\_DL\_Active\_Inactive\_and\_Temporary\_Status.csv. As the filename suggests, it appears to be the NCSBE's list of North Carolina registered voters who did not provide a drivers license number or Social Security Number when registering.

12. I matched voters identified by the NCSBE who never provided a drivers license number or the last four digits of their SSN to the list of voters who cast a ballot in the November 2024 election based on the statewide voter list, filename ncvoter\_Statewide.zip, and absentee voter list, filename absentee\_20241105.zip.

13. I matched the list of individuals who never provided a drivers license number or the last four digits of their Social Security Number to the statewide voter list and absentee voter list based on the voter registration number and NCID number.

14. This process resulted in a list of likely matches in this county, which is attached as **ATTACHMENT 1**.

15. Accordingly, Attachment 1 contains a list of people who (1) attempted to vote in the 2024 General Election before November 5, 2024 (via early vote, absentee by mail, etc.), (2) had their vote accepted by their applicable county board of elections, and (3) never provided a North Carolina driver's license number nor the last 4 digits of their Social Security Number to their county board of elections. Attachment 1 contains additional information about each individual which was contained in the information from the NCSBE.

16. Attachment 1 does not include whether the applicable county boards of election challenged each of these voters, as that information has not yet been made available by the NCSBE.

17. Attachment 1 also does not include whether the voters identified by the NCSBE who never provided a drivers license number or the last four digits of their SSN voted on election day, November 5, 2024, as the information on who voted on election day has not yet been released by the NCSBE.

Further, the affiant sayeth not.

This 19 day of November, 2024.

---

I, Kyle Offerman, being duly sworn, depose and state as follows:

**Background and Qualifications**

1. I am over 18 years of age and fully competent to make this affidavit.
2. I have personal knowledge of the facts and matters set forth herein.
3. I am a citizen of the United States and a resident of Wendell, Wake County, North Carolina.
4. I am employed as the Chief Counsel of the North Carolina Republican Party.

**Preparation of Filing**

5. In preparation for filing election protests related to the 2024 General Election, my team and I conducted a thorough review of 08 NCAC 02 .0111, which outlines the filing requirements for an Election Protest.
6. We assembled the list of all County Board of Elections Directors in North Carolina from <https://vt.ncsbe.gov/BOEInfo/PrintableVersion/> to gather their applicable emails as provided by the State Board of Elections.

7. We then prepared one hundred emails to be sent to the County Board of Elections Directors with the applicable Jefferson Griffin protests for said county and a cover letter attached.

### **Filing**

8. We then sent said Jefferson Griffin protests from [legal@ncgop.org](mailto:legal@ncgop.org) with the Counsel for Jefferson Griffin, Craig Schauer, carbon copied.
9. All protests on behalf of Jefferson Griffin were submitted by 5:00 PM Eastern Standard Time in accordance with N.C.G.S. § 163-182.9(b).

### **Preparation of Service**

10. In preparation for filing election protests related to the 2024 General Election, my team and I conducted a thorough review of 08 NCAC 02 .0111, which outlines the service requirements for affected parties.
11. We compiled an Excel file containing the names and addresses of those parties affected by the protests filed by Jefferson Griffin, Ashlee Adams, Stacie McGinn, and Frank Sossaman.
12. To ensure conformity with North Carolina law and on behalf of these candidates, we created a webpage hosted on [www.ncgop.org](http://www.ncgop.org), accessible to those who receive service that a protest has been filed that may affect his or her vote.
13. A QR code was generated to provide a direct link to this webpage.
14. We designed a service postcard, incorporating the QR code, to notify all affected parties.  
A draft of this postcard is attached hereto as Attachment 1.

15. A third-party vendor was contracted to handle the mailing of these service postcards in compliance with 08 NCAC 02 .0111.
16. The third-party vendor was provided with the Excel file containing the names and addresses of all affected parties to facilitate the mailing process.

### Service

17. The third-party vendor prepared and mailed the service postcards to all affected parties by the deadline established in 08 NCAC 02 .0111.
18. Each postcard directs recipients, via the QR code, to the public webpage where all filed protests are uploaded and available for review.
19. Once on the webpage, affected parties can easily locate the relevant protest filed in their county in which they are named.
20. The process and manner of service adhered to the requirements set forth in 08 NCAC 02 .0111.

Further, the affiant sayeth not.

This 22 day of November 2024.
